We hope that this annual will become one of your most prized possessions, and that you may look back over the faded snapshots with memories that never will be faded.

If you should recall the many smiles, sorrows, and dreams of '66, while turning these pages, we shall be content, knowing that we have done the thing we were called upon to do.

Our high school days are filled with cherished memories. To help you remember these special moments, we present to you the

## *Dedication*

*To: Mr. C. V. Knight*

To you--Mr. Knight, the Seniors of Henderson Institute for the year of 1965-1966 dedicate this collection of our fondest memories. Our choice was not made hastily, but after long hours of deliberation and thought.

We think that it is sufficient to say that because of your sincerity, kindness, and helpfulness to us, we are able to say that words cannot express our appreciation for your various contributions. Just to show how much we admire, honor, and respect you, the graduating class of 1966 dedicate the 1966 PANTHER to you.

THE SENIORS

## *Our Parents*

To our parents, whose love and encouragement have guided us through the past years, we dedicate our 1966 PANTHER as an emblem of our appreciation. YOUR HELP, WE WILL NEVER FORGET.

We, the Senior Class of 1966, look back with pleasure upon the events that have filled our cup of memories to an overflowing capacity as this school year of 1965-'66 comes to an end. We have attempted to capture the best and most outstanding events within the covers of "THE PANTHER."

We wish to thank our advisors, Mr. C. E. Payne, Mr. L. E. Spencer, and the members of the faculty who have tolerated our many disturbances. We sincerely hope that each of you will find, among the pages of "THE PANTHER," something special, something you will remember in the years to come.

Jimmy Bruce Jones, Editor

Along with the other members of the Annual Staff, we have attempted to portray in the pages of the 1965-66 yearbook, the spirit of growth, development, and experiences we have shared here at Henderson Institute.

As you journey on through life remember, "Life is not what you take it to be, but what you make it to be."

TEMPIE MARROW

Co-Editor

Asst. Co-Editor

BOBBY WILLIAMS

We the Senior Class of 1965-66 take this opportunity to express in some way our appreciation for all the help you have given us. You have unselfishly devoted your time and effort to our class.

These are just a few of the many reasons why we present our annual, "The Panther," to you.

Greetings:

You have reached the first milestone. Now, don't be a common man--strive and be uncommon. No longer should you aspire to have but to be. But, don't be a kept-citizen--humble dull and bartering for a dole. It's a calculated risk--but dream, build and succeed. Why should you cower and bend to masters and threats? Stand erect; be proud and unafraid; think and act for yourself. Then, say, "I am an American."

## GUIDANCE COUNSELORS

MRS. M. M. AVENT

Your experiences at Henderson Institute are almost over. However, I hope these experiences have given you a sense of belonging, a deep desire for intellectual growth, a willingness to make decisions, and an understanding of "self."

Each success and each failure will help you meet the challenge in this changing world. As you grow to maturity your experiences will help you increase your personal reality and will broaden your horizons in your future environment.

You and those who come after you are fortunate to live at a time when opportunities abound for you as never before. Certainly you are to be congratulated for having reached this milestone of your life, but because of the unlimited opportunities that are open to you do not stop here. Set your goals high, and continue to make ready for

MR. C. V. KNIGHT

life until you have reached that position that your interests and your maximum abilities will allow. You will then be able to live the good life and to make those contributions to your community, state and nation that are expected of you as good citizens.

It is a pleasure to congratulate the SENIORS OF 1966 who are now joining the outside in the many phases of life.

It is my hope that you will work diligently in furthering your education and being a good citizen.

## Class Will

We the class of 1966, town of Henderson, County of Vance, State of North Carolina, being in sound mental condition, do make this our last will and testament rendering void and of no avail any former will or wills that may have been previously made by us during a period of temporary optimism. In the following manner we wish to dispose of our possessions:

FIRST: To our Parents we leave our love, thankfulness, and sincerity for all the time and patience given us, also the kind deeds done and encouraging words said during our high school years.

SECOND: To our Senior Sponsors we bequeath all our love and gratitude, for without you, this would all have been impossible.

THIRD: To our Principal and Faculty we leave our deepest appreciation and everlasting friendship for the sincere and tireless efforts made for us during our years of high school.

FOURTH: To the Juniors, we leave the ability to become respectable and dignified Seniors, following the path that we have so carefully blazed.

FIFTH: To the Sophomores, we leave our walking shoes so you may tread on familiar soil and continue your success in high school.

SIXTH: To the Freshmen, we leave our torches to carry with you on the dark sea of struggle so you may anchor on the shores of light and success.

SEVENTH: To the Lowerclassmen, we leave our understanding of the value of education so you will not waste the years ahead.

## *Class Song*

Tune--"Misty"

Oh H.I. .  
Now the time has come for us to part;  
We will never forget,  
The moments with you  
And cherish them deep in our hearts.

Oh H.I.  
You have taught us the meaning of success  
And we know deep in our hearts,  
That when we do part  
We will always strive for the best.

Our time is drawing nigh  
So we know that our aims must be high,  
The invaluable knowledge here  
Will remain oh so dear.

So Good-bye,  
To our cherished home, H.I.  
We will never forget the moments we spent  
Here with you,  
Dear Old H.I.

Andrea L. Harris
